

## ***Rail Tong "Little Dawg" 3.3-Ton***

***Part: RHD3.3-IPS***

### **Technical Data:**

Make: IPS  
Weight: 15 lbs.  
WLL: 3.3 Ton  
Dim.: 9.5" x 3" x 13"

- Cast from high strength alloy steel.
- Jaw profile designed to handle all rail profiles
- Automatically opens when lowered onto head of rail.
- Tested to 2.5x times its WLL.

**Description:** Little Dawg Rail Tongs are lightweight, yet strong enough to handle short sections of rail with ease. Designed to open automatically when lowered onto the head of a rail, this tool will handle most rail profiles.

\*All IPS tongs are designed for long-term field performance and are made from high-strength alloy steel. Every tong is individually magnetic particle tested, pull test certified, and engraved with a serial number to maximize worker safety.
